STUDENT LED CREDIT UNION AT GHS

On October 1st, The Branch at GHS officially opened with a ribbon cutting ceremony. Students, Administrators, and staff took part in the event that GMFCU led with the Chamber of Commerce.

The initiative provides students with real world financial education at school and the opportunity to gain valuable experience for both college and future careers. If you have a Student at GHS, or part of the facility, we encourage you to open an account. Everything inside of the Branch is kept confidential.

Greenwood Municipal's 47th Annual Meeting is scheduled to be held, Tuesday March 9, 2021.

The cooperative nature of Credit Unions is what sets us apart from other financial institutions. Like all Credit Unions, Greenwood Municipal FCU is owned and controlled by our members. We have no outside shareholders. A volunteer Board of Directors is elected by YOU, our Membership. Through this democratic process, each Member has a voice in how our Credit Union operates.

All Members are encouraged to attend the Annual Meeting on March 9, 2021. Meeting location will be held at Harris Baptist Church with registration beginning at 5:30 PM. Please mark your calendars and let your voice be heard. We look forward to seeing you there!
